I'll ask Jacob to let me know what they discuss with Avi. He's been great at keeping me in the loop.

That's good. Can you see if you can get a report out after Region 2 makes contact with Avi by phone? If we can get communicated back to us through Region 2 any views that Avi expresses, then we may not need to check in with him at Reg Review. But if we don't know anything about what he thinks about this development, I think we should still touch base on Monday. Since we got cut out of this earlier, I don't want Avi to forget he's got staff watching this, and if he has any specific direction or views, I want to make sure we know them and can act consistent with them in anything we do related to this. But we don't have to directly talk to him if Region 2 does and reports back to us.

Jacob: I agree that (b)(5) - Deliberative Process, Attorney Work-Product. We need to give Avi a telephonic heads up at OGC (I've added him to the cc list for this message) and also Anne Heard at OECA. I have alerted Judith (b)(5) - Deliberative Process, Attorney Work-Product
